RE: District Strategic and School Renewal Training

The Office of Federal and State Accountability, in collaboration with the Office of Early Learning and Literacy, is providing six (6) regional half-day trainings on the newly updated District Strategic and School Renewal Plan, including the merger of the Read to Succeed Plan. Participants will learn how to create effective plans as well as how to utilize the online application in conjunction with the recent additions of the Read to Succeed Act 284.

Dates and locations of the regional trainings, including which session each district should attend, are listed below. All sessions take place from 9:00 a.m. until 1:00 p.m. There is no cost to attend the workshop; however, each school district is limited to five (5) participants that should include the district strategic plan contact, the district's Read to Succeed liaison or Literacy Leadership Team Leader, and a school principal. The other two participants are at the district's discretion.
